

WARNING FOLDING CHAIRS

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. If any safety devices or warnings have been removed, defeated, defaced, or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

 **WARNING:** This product can expose you to chemicals including Bisphenol A (BPA) which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov

DANGER: This equipment has multiple pinch points that can cause dismemberment or death. Keep hands, feet and all other body parts clear at all times.

Use care when setting up these folding chairs. Always select a firm and level area to prevent the feet of the chairs from penetrating and sinking into the surface.

Do not abuse the folding chair, keep it away from open flame and excessive heat.

Do not stand or climb on this folding chair, it is not a ladder or work platform.

These chairs are tested by an independent lab, the chairs passed a 275 lbs. dynamic drop simulation, with a 275 lbs. load released from 6" above the seat.

Independent lab testing of "static load bearing to failure" yielded a range of 1,925 to 2,245 lbs. You can use the link below to view their testing video.

Plastic folding chairs are the choice of many event planners for their lightweight design, ease of cleaning, and versatility among events. These portable folding chairs can be used for Banquets, Parties, Graduations, Sporting Events, School Functions and in the Classroom. These chairs will be the perfect addition in the home when in need of extra seating to accommodate guests. Constructed of lightweight textured polypropylene and a strong steel frame, these folding chairs will suit most any occasion.

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. If there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
